

GE MH 18.0-EC

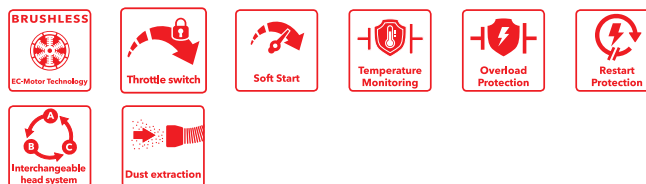

Cordless wall and ceiling sander Giraffe® with interchangeable head system 18.0 V

Order no. 504025

GTIN 4030293230033

- + Very handy, light-weight machine with optimum ease of operation. Provides comfortable and ergonomic working conditions
- + Brushless motor with greater efficiency and a longer service life
- + Fitted with innovative interchangeable head system. Sanding heads are attached and removed with a click
- + Electronics: Speed preselection with adjustment wheel, overload protection, restart lock and temperature monitoring
- + Easy guiding: by optimal balance between motor and sanding head
- + Reliable force transmission and high flexibility thanks to the flexible drive shaft from. For decades established "FLEX technology". Thanks to this design principle the weight on the head of the Giraffe is reduced to a minimum. This facilitates handling.
- + Gimbal-mounted sanding head provides high flexibility and optimum adjustment for sanding walls and ceilings.
- + Effective dust extraction from between the brush ring and the sanding pad prevents clogging of the abrasive and promotes a dust-free working environment
- + Option of connecting the FLEX safety vacuum cleaners to the FLEX clip-system on the guide tube
- + Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- + Dust-proof on/off switch
- + LED battery capacity display
- + FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger

Technical data

Battery voltage	18.0 V
Battery capacity	2.5 / 5.0 Ah
Backing pad diameter	225 mm
No-load speed	1150 - 1800 rpm
Orbit rate, no load MH-T	3950-6200 1 rpm
Orbit rate, no load MH-X	3200-5000 1 rpm
Head angle of inclination	100°
Tool holder, wall and ceiling sander	hook and loop
Length	1440 mm
Weight without battery pack	2.8 kg

Standard equipment

- 1 Clip-on quick clamping ring red (406023)
- 1 Carrying bag (408867)
