

PXE 80 10.8-EC

The smart cordless polisher 10,8 V, rotary and random orbital free-running

Order no. 469068

GTIN 4030293209916

- + For rotary and random orbital free-running work with 3 and 12 mm stroke
- + Innovative, tool-free quick-change system for the exchange of drive types rotary and random orbital
- + Flexible and easy as never before from spot sanding to finishing without creating any holograms with one tool
- + The ideal complement device for every vehicle finisher, varnisher and the spot repair area
- + Perfect ergonomics and flexible grip options because of its ideally placed softgrip surfaces
- + Brushless motor with greater efficiency and a longer service life
- + Continuous speed control trigger: for a gentle start and a lock-on for continuous operation
- + Features constant speed control and four speed stages, Display by LED clearly visible
- + Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- + Vibration optimization for smoother operation
- + Cushioned special velcro pads for polishing and grinding
- + Shock protection ring to protect surfaces
- + LED battery capacity display
- + FLEX battery system: suitable for all FLEX 10,8 V battery packs. Delivery does not include battery and charger

Technical data

| | |
|-----------------------------|-----------------------------------|
| Battery voltage | 10.8 V |
| Battery capacity | 2.5 / 4.0 Ah |
| Max. polishing disc size | 80 mm |
| Max. support plate size | 75 mm |
| Polishing stroke | 3 / 12 mm |
| No-load speed | 400-2000/-3000/-4000/-5800 rpm |
| Orbit rate, no load | 800-4000/-6000/-8000/-11600 1 rpm |
| Dimensions WxLxH | 265 x 65 x 95 mm |
| Weight without battery pack | 0.6 kg |
