

IW 1/2" 400 18.0-EC C

Compact cordless impact screwdriver 18 V

Order no. 531502

GTIN 4030293253421

- + Brushless motor with greater efficiency and a longer service life
- + Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- + The short head length makes it ideal for screwdriving in confined areas
- + Integrated LED light that can be set to five different levels
- + Tool holder square drive for 1/2" impact sockets.
- + Speed Command: three different speed settings for a variety of applications. Prevents, among others, over tightening of small screws
- + Auto-Stop mode: When tightening, the machine stops as soon as the blow starts. When loosening, the machine stops as soon as the blow stops. Suitable to prevent over-tightening of the screw or nut.
- + Accelerator trigger with lock-off switch
- + Right/left rotation with safety catch
- + Ergonomically designed, non-slip, soft grip handle
- + Electronic quick-acting brake
- + LED battery capacity display
- + FLEX battery system: suitable for all FLEX 18 V battery packs. Delivery does not include battery and charger
