

ADM 100 G

Laser range finder

Order no. 518964

GTIN 4030293238404

- + Green laser diode
- + The green line is easily visible, even in bad lighting conditions
- + Length, area and volume calculation
- + Determining heights with indirect distance measurement (single and double pythagoras)
- + Quick determination of dimensions on construction sites
- + Simple operation
- + Painter function, automatic sum calculation of individual wall surfaces with the same height
- + Permanent angle measurement to check the measuring position
- + Continuous measuring mode
- + Switchable units of measurement in m/mm, inches/feet
- + Has 3 reference points
- + Minimum / maximum function
- + Memory function for up to 99 values
- + Automatic stop
- + Illuminated four-line display
- + Dust- and splash-proof housing
- + Variable power supply, can be operated with AAA 1.5 V batteries or rechargeable battery, incl. Micro-USB charging cable
- + 1/4" connection thread for tripods

Technical data

Operating range	0.05 - 100 m
Precision	± 3 mm
Laser class	2
Power supply	Integrated battery
Protection class	IP54
Dimensions WxLxH	118 x 54 x 25 mm
Weight	0.132 kg

Standard equipment

3 Batteries AAA
1 Carrying bag
1 USB-cable
